

# PIZZA!!

$$\text{Volume} = \pi \cdot z \cdot z \cdot a$$

Square box, round pizza  
triangle slices

...I'M  
**CONFUSED!**

GET 70%  
MASTERY,  
GET PIZZA!

 **KHANACADEMY**

Don't be like Phil, work on Khan academy this summer!

- 1) Login to Khan Academy with your Lyman Gilmore @gvsd.us email (make sure you click login with google)
- 2) Click on "subjects" in the top left corner and select the grade that you were in for the 17/18 school year.
- 3) Click on the "mission tab" and start with your mission warm up.
- 4) As you Master skill you will see your skills mastered percent increase .
- 5) If you show any of the math teachers a mastery score of 70% or higher at the beginning of the school year you will be invited to our pizza party!
- 6) Remember to use hints and videos along the way if you get stuck, good luck and have a great summer!
