Promoting aviation, engineering, mathematics, science, and technology in our community's youth.

We are pleased to announce the Fourth Annual Lyman Gilmore Flight Day, honoring Lyman Gilmore's contributions to aviation, engineering, and Nevada County. It is with the help of aviation enthusiasts like you that we are able to share aviation with our community's youth. We would like to invite you, once again, to join us in making this a successful event.

A pilot and exhibitor lunch will be provided after the closing of the event at 1:00pm

If you would like to participate as either an exhibitor or as a pilot, please contact Jill Massie at jmassie@gvsvd.us or 916-877-5455
